REDEFINE YOUR HOME WITH FANS THAT SPEAK YOUR STYLE

Welcome to the world of style and energy efficiency!
We know that you are unique, and so is your choice. To meet your exceptional style, Kühl has crafted a wide range of stylish BLDC fans.

Kühl BLDC Fans elevate your lifestyle while offering cutting-edge BLDC technology that provides up to 65% electricity savings.

Experience modern design and unmatched comfort with Kühl BLDC Fans.

ENHANCE YOUR LIFESTYLE WITH THE NEXT-GEN BLDC FANS

Saves 65% Electricity with BLDC Technology

BLDC (Brushless Direct Current) motors are efficient, generate less friction, consume 28-30 watts and provide up to 65% electricity savings over induction fans.

High on Style with Aerodynamic Design

Kühl BLDC Fans are high on style and redefine elegance with their Designs, Down Lights, Night Lights (White, Warm White and Yellow) and 3-8 Aerodynamic Blades for High Airflow. They not only add style to room interiors but also enhance your lifestyle.

Low Noise for Silent Comfort

Traditional induction fans are noisy, whereas Kühl BLDC Fans have aerodynamic blades which provide high air delivery at low noise for silent and peaceful comfort.

Operates On: Remote, IoT/Wi-Fi, Smartphone and Voice Command

Kühl BLDC Fans operate on remote and smartphone. The fans are Wi-Fi and voice enabled, compatible with Alexa, and support multi-fan control.

Reverse Mode for Winters

To make your winters more comfortable, Kühl BLDC Fans come with reverse mode which rotates clockwise to circulate warm air (generated through room heaters, etc.), ensuring even heat distribution and enhancing comfort throughout.

Kühl PLATIN SERIES

Command attention with the bold and impeccably crafted Kühl Platin series. Each fan embodies a sleek and modern profile with artisanal finishes, serving as a signature piece that transforms any space into a gallery of contemporary sophistication.
